engage your senses this summer

# FUN WITH TEXTILE CRAFT APPLIQUE

Anchor Faculty  
**Aarti Srivastava**

Schedule  
**27 - 31 May, 2019**

## Introduction

Textiles offer some wonderful techniques of construction and ornamentation. The workshop is about exploring traditional hand applique, one of the most wonderful techniques from Gujarat. The workshop would first focus on understanding the traditional craft and later would direct on the application and explorations of hand applique in the modern context. The flexibility of textile material provides immense possibility to create magic with the use of needle and thread! The hands on - minds on workshop encourages young talents to translate their imaginations through textile explorations.

## Objective of the programme

The objective of the workshop is to trigger interest among the young kids in the field of applique craft.

The idea is to encourage and enable the young minds to express their imagination through the medium of textile craft Applique. The workshop would encourage hands on explorations using various textiles. The workshop would involve easy methods of applying one or more layers of fabric on textile products.

## Contents of the programme

- Introduction to Textile craft Applique
- Introduction to the various stages of Applique.
