

summer workshop 2019

engage your senses this summer

SKETCH YOUR CITY

Anchor Faculty

Kaushik Chakraborty

Schedule

20 - 24 May, 2019

Introduction

Ahmedabad is more than 600 years old fantastic city situated on the bank of the river Sabarmati. The old part of the city has the attraction of the pols, havelis, lanes & bi-lanes, walls, tombs and moreover people. Basically all these characters together have created the overall magical appearance and the unique flavour of the city.

On the other hand, sketching is a primary yet very powerful and effective way to record and represent visual experience. The workshop 'SKETCH YOUR CITY' will give participants a primer about sketching on a location of the old city and capture memorable visual experiences through black & white and watercolour sketches. The participants can take away the learning from the workshop to continue the exciting journey of sketching.

Objective

- To provide exposure of 'Drawing on Location'
- To make participants aware of their own surroundings
- To record surroundings and visual experiences through sketching
- To offer basic understandings of the tools and techniques of the medium

Course Content

- Thumbnailing and composition
- Drawing people and buildings
- Adding details - perspective and texture
- Adding light & shadow and colours
- Telling stories of a place

Methodology

- Classroom presentation, Demonstration, Classroom instruction
- Usage of different drawing tools and mediums
